Mr. Randall Harris  
7 West Maple Dr.  
Asheville, NC 28805-1118

Dear Mr. Randall Harris:

Thank you for taking the time to contact me regarding H.R.607 Broadband for First Responders Act. I welcome the opportunity to hear your views on the issues that are important to you and Western North Carolina.

As you know, H.R. 607 would increase the electromagnetic spectrum allocation for public safety agencies, facilitate the development of a wireless public safety broadband network, and provide standards for the spectrum needs of public safety agencies. I am a cosponsor of this legislation.

Currently, this bill has been referred to the House Committee on Energy and Commerce. While I do not sit on this committee, I will monitor this bill's progress.

I appreciate you taking the time to contact me. Hearing your opinions on legislation helps me better serve the residents of the 11th District of North Carolina. I encourage you to visit my website at <http://shuler.house.gov> and sign up for my e-newsletter. If you need assistance with a federal agency or have any other questions that I may be of assistance with,

please call my office at (828) 252-1651.

Sincerely,

Heath Shuler  
Member of Congress
